

The NH ASA Dragons Softball organization is made up of girls and young women from all around NH including Barnstead, Epsom, Belmont, New Durham, Candia, Hooksett, Barrington, Rochester, Sutton and Warner, Laconia and more, whose goal is to improve their skills, discipline, and sportsmanship through participation in highly competitive tournaments. The investment needed to field our teams with equipment, uniforms, supplies, and tournament fees runs into the thousands of dollars per team! Our 18U team will be going to compete in the ASA Nationals this summer in Virginia. As a result of this we are asking for sponsors in the community to help us offset these costs which will allow the Dragons Softball organization to continue to grow and prosper.
